Over the past few months, we have shared stories centred on traditional and non-traditional education. [Mission and Service](#) recognizes the profound connection between the Resurrection story and the transformative potential of education. This Easter, we pause to think of great sacrifices and miracles. Just as Jesus emerged from the tomb, defeating death and showing us that we can be raised to

new life, education opens the mind, dispels ignorance, and fosters a deeper understanding of Christ's teachings and compassion.

Mission and Service, in its commitment to education, seeks to empower each partner to be a beacon of knowledge and compassion in the world. With your support, we engage in mutual learning, seeking opportunities to grow our understanding of the world through the eyes of our partners.

Thank you for empowering Mission and Service partners in all forms of education. Blessings for Easter.
